THE ELECTION.
Meagre Report of Tuesday's
Contest in Various States.

Almost a Clean Sweep by the
Democracy.

NEW YORK.
New York, November 7.—Brooklyn
elects four Republican Assemblymen and
eight Democrats, ten Republican Aldermen
and three Democrats. The city and county
tickets are generally Democratic, by
small majorities.

Cleveland has about 50 majority in
Ohio, the first time the local and county
Democratic ticket has won since the
organization of the Republican party.

NEW YORK, November 8.—The
Times gives Cleveland's majority at
171,000. The assembly will stand
80 Democrats and 48 Republicans.

Democratic gain in the
legislative body will stand 19
Democrats, and 15 Republicans, a
Democratic gain of 6. The Democrats
have undoubtedly secured a
considerable majority in Congress.

Our returns give them 174 members,
against 150 Republicans.

NEW YORK, November 8.—Among
the members of the present Con-
gress re-elected from this State, are
Hawitt, Cox, Hutchins and B. Hunt.
Belmont's majority is put at 10,000.
His majority in his own county,
Buffalo, exceeds that in his entire
district the last time.

NEW YORK, November 8.—The
Brooklyn city and Kings County
vote stands: Cleveland 65,718, Fol-
ger 25,924. The State ticket car-
ried with it the entire city ticket, ex-
cept register. The Congressional
Democrats, M. E. R. Hudson, Dar-
win R. Jones and Felix Campbell.

NEW YORK, Nov. 8.—A Charleston,
S. C. special to the P. S., says the
democrats have carried this State by
a large majority, and elected their
whole Congressional ticket. E. B. C.
Cash, independent candidate in
the fifth district, is conceded to be
defeated by Hemphill, democrat.

S. V. Cash, independent candidate in
the fifth district, is conceded to be
defeated by Hemphill, democrat. S. V.
Cash, independent candidate in the
fifth district, is conceded to be de-
feated by Hemphill, democrat. S. V.
Cash, independent candidate in the
fifth district, is conceded to be de-
feated by Hemphill, democrat.

MASSACHUSETTS.
Boston, Mass., November 7.—The
chairman of the Republican commit-
tee of the 5th district has reports
from thirty towns in the district
showing that Russell, for Congress,
has a Bishop, on the gubernatorial
ticket, by 20,000 and is elected. Re-
turns from all voting precincts in the
6th district, except Winthrop and
Charlestown wards give Lovering
9,449 and Converse 9,782. As
Charlestown wards and Winthrop are
said to be sure for Lovering, there
is a strong probability that Lovering
has been elected.

Wm. Whiting, Republican, for
Congress, is elected, over Sawyer,
Democrat, in the 11th district, and
Geo. D. Robinson, Republican, is
elected in the 12th district.

The Democrats have made large
gains in the Legislature. The indi-
cations are that the House will stand
150 Republicans to 90 Democrats, a
gain of 15 Democrats. In the Sen-
ate the senate has 5 Democratic mem-
bers, and this year there will be 12
Democrats.

30,168; Boley, 18,891.

can State ticket outside of Gov-
ernor is 15,000, with 9 towns to
hear from. Boley's plurality for
Governor is 13,658. The Congres-
sional delegation stands, 4 Demo-
crats (of 3) and 8 Republi-
cans. The Democrats are split in the
Tenth district, their Congressman
from that district.

Green, chairman of the Republican
committee, commends the election of
Murphy, Democrat, to Congress,
as the second district, by 1,000
majority.

KNOXVILLE
VOL. XIII.

PHILADELPHIA, Pa., November 7.—
A dispatch from Stratton, Pa., says
that Jos. Stratton (Rep.) is certainly
defeated for Congress in the
twelfth district.

The polls in this State did not
close until 7 o'clock and returns
are slow coming in. The 28th
ward in this city shows a Demo-
cratic gain of 600.

A special dispatch gives Farrell
(Dem.), a majority of 500 over
Robeson (Rep.) for Congress, a
Democratic gain of 1,700.

PHILADELPHIA, November 7.—The
6th ward shows a Democratic gain of
426. Harry White (Rep.) is prob-
ably defeated for Congress in the 25th
district, and Sam Barr (Rep.) in the
14th district. The 26th ward of
Philadelphia shows a Republican
gain of 400.

PHILADELPHIA, Pa., November 7.—Wm.
D. Kelly is re-elected to Congress from
the fourth district, by a very heavy majority.

PHILADELPHIA, November 7.—The re-
turns from the State and city very
slowly to night, but those received show
heavy Democratic gains, and indicate
the election of Patton, Democrat, for Gov-
ernor, by over 20,000 majority.

PHILADELPHIA, November 7.—A special
dispatch says Post, Democrat, is elected in
the 15th Congressional district. This is a
Democratic gain.

PHILADELPHIA, Pa., November 7.—Ran-
dall is re-elected to Congress from the third
district by 440 majority.

feated by Hemphill, democrat.

KNOXVILLE
VOL. XIII.

NEW ORLEANS, November 7.—The
weather is clear and pleasant. The
election proceeds in an orderly man-
ner, no disturbances being reported
from any quarter. The polling in-
dicates only a moderate vote.

SHREVEPORT, La., November 7.—Very
little interest was taken in the election
here to-day, and only about a quarter of
the vote was polled. There were no
Republican candidates in the field. Blanchard is elected
to Congress, and Jones for additional
district Judge.

NEW ORLEANS, November 7.—The Asso-
ciated Press dispatches from various
points in this State, and especially to
the Poydras and Times-Democrat, indicate
the election of the entire Democratic
Congressional delegation, except in
the third district, which is regarded
as doubtful. In this city General W. J.
Benham, for mayor, and the regular Demo-
cratic ticket is elected by from 4,000 to
5,000 majority over independents.

NEW ORLEANS, November 8.—Kel-
logg's election in the 3d district is
conceded by the Democrats.

INDIANA.
INDIANAPOLIS, November 7.—Scat-
tering returns from a few precincts
in this State show small Republican
gains in the vote for Secretary of
State, over the vote for Governor in
1880. Peeler, Republican, for Con-
gress in the Indianapolis district, is
probably elected over English. Since
the last State election the voting
precincts have been divided in all
the larger townships and wards,
making it difficult to get correct
comparisons until the entire town-
ship and ward is heard from.

INDIANAPOLIS, Ind., November 8.—3
a. m.—From the most reliable infor-
mation at this hour, the Congress-
sional delegation will stand as fol-
lows: First district, Klemmer, Demo-
crat; second district, Cobb, Demo-
crat; third district, Stockslayer,
Democrat; fourth district, Holman,
Democrat; fifth district, Matson,
Democrat; sixth district, Brown,
Republican; seventh district, Peelle,
Republican; eighth district, doubt-
ful; ninth district, doubtful; tenth
district, D. Motte, Republican; eleventh
district, Steele, Republican; twelfth
district, Dwyer, Democrat; thirteenth
district, Calkins, Republican.
A Democratic gain of one Con-
gressman is certain, and a gain of
three is probable. The returns re-
ceived show a decrease in the vote of
eight per cent, and a probable Demo-
cratic majority on the State ticket of
1,500. Very few reliable returns
have been received from the larger
cities.

CALIFORNIA.
SAN FRANCISCO, CAL., November 7.—
The election in the city was very
quiet and the average vote was
poor. Owing to the length of the
ticket and bad management for
gathering returns, nothing can be known
of the result to-night. There was
much scratching, and probably some
will be elected on both tickets, but
the commonly received opinion is
that the Democrats will have a ma-
jority of 2,000 to 3,000 on the gen-
eral ticket. Reports from the interior
indicate a full vote and it is believed
that the prohibition ticket will have
about 50,000 votes in the State at
large and this with defections from
Republicans, on account of Sunday
laws, is likely to give the State to
the Democrats.

SAN FRANCISCO, CAL., November 8.—
The count in this city up to mid-
night, being partial returns from all
points, indicate a majority for Stone-
man of about 10,000 on the total
vote, and for Blake, Republican, for
mayor of San Francisco, of about
7,000. The Democratic city ticket,
except the mayor, is elected by vary-
ing majorities. There are no returns
yet on the Congressmen.

SAN FRANCISCO, CAL., November 8.—
The collection of returns show
that the Democrats have carried the
State ticket by a handsome majority
—probably 5,000. They have elected
all the Congressmen except in the
second district, where Page is prob-
ably successful, although the contest
is close, and they have had a clean
sweep of the San Francisco munic-
ipal ticket, with the possible excep-
tion of the mayor. The figures vary
on the majority, and it is not cer-
tain at present who is ahead. The
Legislative returns are very meagre,
but it is probable the Democrats will
have a working majority in both
Houses. The prohibition ticket cut
no figure in the election.

CONNECTICUT.
HARTFORD, November 7.—Eighty
towns give Bulkley, Republican,
20,549, Waller, Democrat, 20,843.
La. 1880, Bigelow, Republican, re-
ceived 25,232 votes; English, Demo-
crat, 22,531.

HARTFORD, Conn., November 7.—One
hundred and twenty towns give Bulk-
ley, Republican, 20,549, Waller, Demo-
crat, 20,843. In 1880 Bigelow re-
ceived 38,959 and English 38,828, a net
Republican loss of 4,375.

HARTFORD, November 7.—One hundred
and fifty-three towns give Bulkley,
Republican, 21,501, Waller, Demo-
crat, 21,501. In 1880 Bigelow re-
ceived 62,620 and English 60,975. Net Republi-
can loss, 6,380. This indicates all but
fifty towns, which will not materially change the
result, except to slightly increase the Demo-
cratic majority, which will be about 50,
000. The Legislature is Republican, and
also the senate, by 2 majority. The House
probably 15.

ELTON, Democrat, for Congress, has a ma-
jority of about 750. Mitchell, Democrat,
in the 2nd district, about 160; Seymour, Demo-
crat, in the 4th district, probably 500. In
the 3rd district Worth's majority is prob-
ably 1,000.

ALABAMA.
BIRMINGHAM, November 7.—The
day was clear and pleasant. But
little interest was shown in the Con-
gressional election, the race being
between J. W. Hewitt, Democrat,
the present incumbent, and J. A.
Carpenter, independent Democrat.
The returns thus far from this (Jef-
ferson) county indicate a majority of
800 for Hewitt. Tuscaloosa County
reports 700 majority for Hewitt.
Nothing else is received at committee
headquarters here to indicate any
change in the district, which is in-
variably Democratic.

MOBILE, November 7.—The returns
indicate the election of all the Democratic
candidates for Congress in this State.

NEW HAMPSHIRE.
CONCORD, November 7.—One hun-
dred and twenty-five towns give
Hale, Republican, 18,272; scattering, 471.
The same places in 1880, gave Bell,
Republican, 21,450; Jones, Democrat,
20,827; scattering, 448. The Republi-
can net loss in these places is 779.

CONCORD, N. H., November 7.—One
hundred and forty towns heard from,
and these are supposed to include most of
the bad places for Hale, except Powers, Worth
and Milford, leave him 10,000 majority to
overcome. It is impossible, with so many
towns to hear from, to state absolutely
whether he is elected or not, but he prob-
ably is by a small majority. Should he fail
of election there will be no election by the
people.

PROVIDENCE, November 7.—Henry
J. Spooner and Jonathan Charoup
are re-elected representatives in Con-
gress by large majorities, on a tight
vote. The proposition to amend the
constitution so as to authorize the
Legislature to call a constitutional
convention was rejected.

PROVIDENCE, November 7.—The Re-
turns show the election of Spooner
and Chase, Republicans, to Congress,
by 2,000 and 1,500 majority, respect-
ively.

NEW JERSEY.
CAMDEN, N. J., November 7.—Thomas
J. Ferrall, Democrat, is elected in the
Congressional district over Geo. M. Rob-
